

COP24·KATOWICE 2018  
UNITED NATIONS CLIMATE CHANGE CONFERENCE

# COP 24 Side Event

## Decarbonisation of Transport – a long term strategy

Thursday, December 13, 2018, 10:00 to 12:00; Room Pieniny  
COP 24 Katowice Poland 2018

This side-event will present the recently developed decarbonisation strategies to regulate emissions from transport from integrated urban mobility to international aviation and shipping followed by a debate of the policies required to deliver the Paris Agreement. The social aspects of just transition and low carbon mobility will also be considered.
